REQUEST FOR CORRECTION OF DRAWINGS

Box Sequence
Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Enclosed is one (1) substitute sheet of drawings for Figure 1, in connection with the above-identified application. In addition, please find enclosed a drawing showing the proposed changes in red.

The Figure is amended to include sequence identification number which were inadvertently omitted at the time of filing. Applicant respectfully requests the entry of these amendments.

In the unlikely event that the transmittal letter is separated from this request and the U.S. Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorize the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing to our Deposit Account No. 03-1952. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
